The Pembina Valley Twisters consistently show we are one of the most competitive teams in the MMJHL. The Pembina Valley Twisters have been in the MMJHL since 2001 and have won two league championships. Last season the Twisters ended their regular season tied in 3rd place, and almost beat the Stonewall Jets in the Semi Finals.

Alongside our hockey program we also want to continue to raise funds within our area for the community. Last season the Twisters helped raise over \$23,000 for CancerCare Manitoba.

Local businessmen Pat Schmitke (Morris Bigway), and Corey Wall (Morris Funeral Home) are the current owners of the Pembina Valley Twisters.

This ownership group is excited to provide junior age players (ages 17-21) in the region, who are focused on furthering their education or starting their careers, with a competitive level of hockey.

Join our sponsorship team if you want to see what hockey can do for our community.
